OBJECTIVE

As an accomplished graphics designer with expertise in UI & Static graphic design also content management systems, I am dedicated to creating visually compelling and user-centric digital experiences. Seeking a dynamic role where I can leverage my design skills to enhance brand aesthetics, optimize user interactions, and contribute to the seamless management of digital content for a forward-thinking organization.

MAJOR SKILLS

UI Design

- User-Centric Design: Prioritize user needs for intuitive interfaces.
- Prototyping: Create testable designs with interactive prototypes.
- Information Architecture: Organize content for efficient navigation.
- Visual Design: Blend usability with visual appeal.
- Usability Testing: Iterate based on user feedback.
